Caretakers report,

The new cemetery had a lightning strike and blew out an electrical switch for the well pump. We will need a new box and breakers to complete repairs.

Lime has been put out in both cemeteries and step 4 of fertilizer will be put out next.

We need to order sand and loam for new Riverside before paving.

GMI will start grading on Monday 9/10/07 and will pave by weeks end.

The trustees went over the budget and finished the figures except for Health insurance prices that will come out in October.

Next meeting 9/20/07 at 1:00 pm in the cemetery garage.

Meeting adjourned 3:30 pm.

Respectfully submitted
